

*Invaluable tool to ensure
the most exposure, fastest
sale and the highest price!*

Secure

- ◇ Only agents with an electronic key and whose dues are up to date can open it.
- ◇ Keys are automatically updated daily by Supra.
- ◇ Each key has a unique private passcode that must be entered to enable access to lockbox.
- ◇ When accessed, lockbox records the agent's information, date & time of access.
- ◇ Email detailing agent information and time accessed is automatically sent to listing agent as soon as lockbox is accessed.
- ◇ Email is also automatically sent to showing agents requesting feedback on property.
- ◇ Easy to access a full and complete record of all showings.

Information on every agent who opens the lockbox is stored in the lockbox, immediately emailed to listing agent at time of access and recorded on website.
